## Tennis, Swim, Crafts & so much more!

Ages  
6-18\*

PAXimum vacation program is a way for kids who enjoy sports to keep busy during the school break. Participants will be able to swim, learn tennis, play recess games and get exposed to multiple sports (i.e. soccer, basketball). We will also have special activities like science, karate, boxing and dance.

This program will be held at at Paxton Tennis & Fitness Club. The club is on over 8 acres of space. Our indoor facility has a pool, turf room, multiple studios and 4 tennis/multi-purpose courts. Everything we do outside, we can do inside too!

### Spend the April break with us!
